

TimeSlips™ Creativity Journal

Creative Storytelling

When memory loss separates individuals from their loved ones, TimeSlips invites them to shift ... from memory to imagination!

TimeSlips is an international leader in providing tools for meaningful engagement in long term care settings. This new Creativity Journal was designed for one-on-one use with people with memory loss.

The journal provides instructions on how to build relationships by engaging in the art of storytelling. Included are 10 inspirational images, sample open-ended questions, and blank pages to record stories. Ten matching post cards offer the opportunity to share favorite lines with friends or family. Covered spiralbound book, 64 pgs., with perforated postcards, by Ann Davis Basting.

Arts and Dementia Care Package

Using an arts program to transform long-term care

The arts are one of the most powerful tools for connecting with people who have dementia and for improving the experience of caring for them. Using a person-centered approach, this package offers rich resources in creative programming. The Resource Guide is the first of its kind to help start, run, and sustain an arts program. The ArtCare Manual and an 8-minute bonus DVD are the perfect teaching tools for any setting.

Includes ArtCare Manual, softbound book, 62 pgs., by Anne Davis Basting, PhD; The Arts and Dementia Care Resource Guide, 48 pgs., by Anne Davis Basting and John Killick; bonus Talk Back Move Forward DVD.
